

## SUPERD FUTBOL CLUB FINANCIAL SUPPORT

Superb Futbol Club offers financial assistance to those players from families that demonstrate a clear financial need.

### Background

Superb Futbol Club provides a broad range of soccer opportunities that enhance character, community, and the love of the game of soccer for local youth. Integrated in this mission is the building of strong leadership and great character and respect for self and others, and all the inherent benefits of physical exercise.

Superb Futbol Club is committed to providing service, charity and education to the community it serves. In an effort to provide increased opportunities for children to participate in soccer, Superb Futbol Club offers financial assistance to those players from families that have a documented financial need. Information submitted for financial assistance consideration is kept strictly confidential.

All Financial Assistance awards are intended to fill the gap between what a family can afford to pay and what is required for registration (i.e. Superb Futbol Club Fee), team dues, and uniform requirements. It is expected that ALL players will contribute something towards these financial requirements. Only in extremely rare circumstances will all three be covered completely through a Financial Assistance award. If at any time during the season a player has fallen behind on payments to the Club or to their team Treasurer, the player will not be able to participate in team training or any games. This policy is strictly enforced.

### Eligibility

As a non-profit organization, the goal of the Superb Futbol Club financial assistance program is to assist low-income families or families with extraordinary temporary circumstances. Awards will be made based on the following criteria:

Household Income

Families with Single Parents

Employment of Both Spouses

Extenuating medical or family hardships

If you still have questions, please email us and we will return your email as soon as possible.
