

## **ROSTER POLICY**

**The Roster Policy mandates players can only be rostered full-time on one team per season. This applies to all playing divisions (Development League, Pre Academy, Development Academy, and Academy). Players may guest play on higher division teams within our own club, but they must be rostered as a guest player with appropriate documentation and approval of Superb Futbol Club Youth Director.**

**Superb Futbol Club does not permit its players to guest play with any other club.**
